

Student Information Sheet

You're the expert!! You know and understand your child's needs better than I do. Please help me understand your child better by filling out this form. Only fill out parts that pertain to you or your child.

Child's Name: _____

Health Concerns:

List any environmental allergies:

List any food allergies:

Are there any other health concerns that I should be made aware of?

Other Info:

What are some of your child's strengths and special abilities?

What are some of your child's weaknesses or fears that I should be aware of?

List any concerns your child might have about this school year.

Is there anything else I should know about your child that would help ensure a great and successful school year? If so, what?

List any cultural or religious sensitivity issues that I might need to be aware of.
